

# **The Society of St Vincent de Paul Diocese of Colorado Springs District Council**

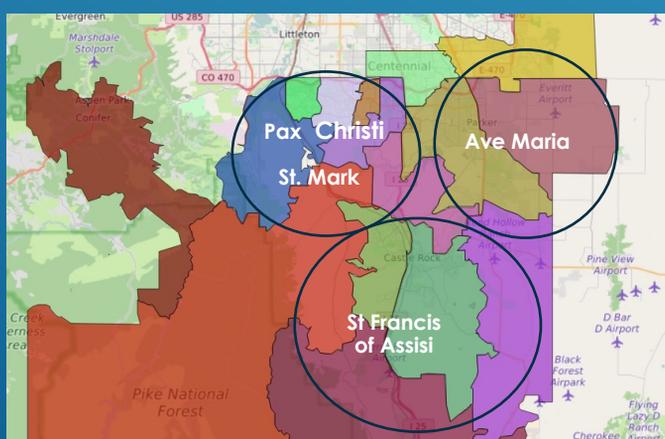

**2022 Annual Report Summary**

**Our Mission:** Faithful to the Rule and Statutes and inspired by Blessed Frederic Ozanam, we are a lay Catholic network of Vincentians, inspired by Gospel values, growing in holiness and building a more just world through personal relationships with and, service to, our friends and neighbors in need in Central Colorado.

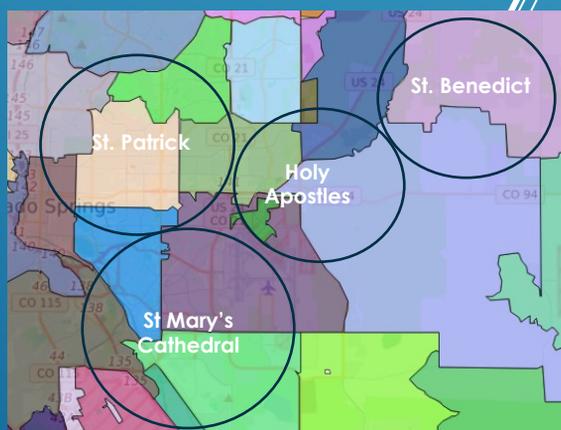

**Our Vision:** The District Council will add Vincentian Conferences to expand our support to all of our neighbors in Central Colorado within the boundaries of the Diocese so that no neighbors and friends in need can be left untouched by our works. We will embrace *our* world in a network of charity .....
